

# Failure, Perfect Prisons

at the start we (jumped far)  
and got dizzy  
with the many wonders  
oh how i want to stay  
stay today

we're making prisons  
perfect traps  
no choices  
perfect prisons  
hold me tight  
i can't feel it

i'm landing now  
and hitting hard  
but the feelings  
they're still the same  
oh how i want to stay  
stay today

we're making prisons  
perfect traps  
no choices  
perfect prisons  
hold me tight  
i can't feel it  
i can't feel it  
i can't feel it  
i can't feel it  
i can't feel it  
i can't feel it  
i can't feel it  
i can't feel it yeah
