[Sean 'Puffy' Combs]

Yeah I like the way this is going down huh  
Check just soak up soultry

[Faith Evans]

[1] - See I can't give up on the way you give it to me  
Give it to me  
No I can't give up on the way that you give me your love

[Repeat 1]

I've been wondering how you can make it better  
For me to give you all of my love  
And open up the door to my heart baby baby  
But I don't understand the way you're thinking  
Can't help the way that you feel down inside  
The love I feel for you I can't hide

[Repeat 1 x2]

You don't know what you're doing to me  
I can't explain the way you make me feel  
It holds your body high and it's so real  
Real love everyday and the way that you  
Give it to me give it to me  
All the love I need  
And baby I hope you never leave

All your love is all I need  
Baby don't take your love from me  
Your love is so good  
Keep on giving it to me  
Everyday and everyway  
Baby don't take your love from me  
Your love is so good

[Repeat 1 til end]
