## Faith Hill, It's Your Love (Tim Mcgraw With Faith

Dancin' in the dark Middle of the night Takin' your heart And holdin' it tight

Emotional touch Touchin' my skin And askin' you to do What you've been doin' all over again

Oh, it's a beautiful thing Don't think I can keep it all in I just gotta let you know What it is that won't let me go

It's your love It just does somethin' to me It sends a shock right through me I can't get enough And if you wonder About the spell I'm under oh It's your love

Better than I was More than I am And all of this happened By takin' your hand

And who I am now Is who I wanted to be And now that we're together I'm stronger than ever I'm happy and free

Oh, it's a beautiful thing Don't think I can keep it all in, no And if you asked me why I changed All I gotta do is say your sweet name

It's your love It just does somethin' to me It sends a shock right through me I can't get enough And if you wonder About the spell I'm under oh It's your love Oh, baby

Oh, it's a beautiful thing Don't think I can keep it all in I just gotta let you know What it is that won't let me go

It's your love It just does somethin' to me It sends a shock right through me I can't get enough And if you wonder About the spell I'm under oh It's your love It's your love It's your love
