

Faith Hill, Where You Lead

From "Tapestry Revisited";
(Carole King/Toni Stern)
Wanting you the way I do
I only want to be with you
And I would go
To the ends of the earth
Cause, darling
To me that's what
You're worth
Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead
If you're out on the road
Feeling lonely, and so cold
All you have to do is call my name
And I'll be there on the next train
Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead
I always wanted a real home
With flowers in the window sill
But if you want to live in New York City
Honey, you know I will
I never thought I could get satisfaction
From just one man
If anyone can keep me happy
You're the one who can
Where you lead, I will follow
Anywhere that you tell me to
If you need, you need to be with you
I will follow
Where you lead, I will follow
Anywhere that you tell me to
If you need, you need to be with you
I will follow where you lead
Oh, yes I will
Oh, I'm gonna follow where you lead
I'm gonna follow where you lead
Oh, I'm gonna follow where you lead
I will follow
I will follow
Oh, yes I will
