

# Faith No More, Just A Man

Sky is clear tonight  
Sky is clear tomorrow

A star is out  
I reach for one to sparkle in my hand  
A star is out  
I will not touch you I am and just a man

Sky is clear tonight  
Sky is clear tomorrow

-And every night I shut my eyes  
So I don't have to see the light  
Shining so bright  
I'll dream about a cloudy sky,  
A cloudy sky

"Man was born to love-  
Though often he has sought  
Like Icarus, to fly to high  
And far too lonely then he ought  
To kill the sun of east and west  
And hold the world as his behest

To hold the terrible power  
To whom only gods are blessed-  
But me, I am just a man";

--And every night I shut my eyes  
So I don't have to see the light  
Shining so bright  
I'll dream about a cloudy sky,  
A cloudy sky

And every night I shut my eyes  
But now I've got them open wide  
You've fallen into my hands  
And now you're burning me  
And now you're burning me
