

# Faith No More, Take This Bottle

I can wait to love in heaven  
I can wait for you  
Far away, I'll treat you better  
Better than down here

Cuz I've done wrong  
And I'm a little afraid  
And I ain't to strong  
And this ain't easy to say:

Take this bottle  
Take this bottle  
And just walk away - the both of you  
And let me feel the pain - I've done to you

I can hope we'll be together  
With a better roof over our heads  
I can hope the stormy weather  
It passes on - it passes on

But I've hoped too long  
Hoped for me to change  
And that hope is gone  
So listen to what I say:

Take this bottle
