

Fall Out Boy, Moving Pictures

Last night I saw a movie
And I thought about how many movies I've seen at your house
Excuse me if I'm rude, but I'd rather that we just strike from the record ones I'd see again without you
Leaning on my shoulder, distracting me from the plotline

Where can I go when I want you around (Where can I go?)
But I can't stand to be around you? (Where can I go?)
"Go home," I'll walk myself to you (Where can I go?)
I'll walk myself away from here (Where can I go?)

"Go to hell"
Is all I thought for seven weeks
But I grew out of that phase, looking at these broken photographs of
People looking glossed, just like the way I could remember a summer ago

Where can I go when I want you around (Where can I go?)
But I can't stand to be around you? (Where can I go?)
"Go home," I'll walk myself to you (Where can I go?)
I'll walk myself away from here (Where can I go?)

"Call me back"
I'm pleading with a ball of cork in my head
It wouldn't be the first time
My pillow has been mistaken

Where can I go when I want you around (Where can I go?)
But I can't stand to be around you? (Where can I go?)
"Go home," I'll walk myself to you (Where can I go?)
I'll walk myself away from here (Where can I go?)

Can't stand to be around you
Around you, around you
Can't stand to be around you
Can't stand, I can't stand
To be around you
Around you, around you
Around you, around you
