Fame Factory, I Wanna Know - Hannah

Ever since the day that I met you My head's been spinning 24/7 through I can't get you out I'm stuck in the middle with you I can't get you out

I wanna know, if you would let me through? I wanna know, can I come to you? You wanna show, my love belongs to you Can you feel it the way I do?

I wanna know (X 3)

In my head where up is down and inside's out I tried to figured out the way to leave my doubt Somebody tell I wanna know right from wrong Somebody tell

I wanna know, if you would let me through? I wanna know, can I come to you? You wanna show, my love belongs to you Can you feel it the way I do?

I wanna know (X 3)

Somebody tell I wanna know right from wrong Did Somebody tell?

I wanna know, if you would let me through? I wanna know, can I come to you? You wanna show, my love belongs to you Can you fill it the way I do? (X 2)

I wanna know (X 2)

I wanna know Wanna know Wanna know Wanna know
