Fame Factory, Wind Beneath My Wings

It must have been cold there in my shadow To never have sunlight on your face You were content to let me shine That's your way You always walked a step behind

So I was the one with all the glory While you were the one with all the strain A beautiful face without a name For so long A beautiful smile to hide the pain

Did you ever know that you're my hero? And everything I would like to be I can fly higher than an eagle For you are the wind beneath my wings

It might have appeared to go unnoticed But I've got it all here in my heart I want you to know, I know the truth Of course I've known it I would be nothing without you

Did you ever know that you're my hero? And everything I wish I could be I can fly higher than an eagle For you are the wind beneath my wings

Did I ever tell you, you're my hero? You're everything, everything I wish I could be Oh and I, I can fly higher than an eagle For you are the wind beneath my wings
