Fantasia, Good Lovin'

One sunny, sunny morning

When my mans right by my side

Held me closely, so close I felt love inside

Its like paradise when he

He called me his favorite girl

And for sure hes my favorite boy

And III be there when he needs me to be like no other woman gives you joy cause I

Ill give him

Good love to you

Sweet love to you (sweet love)

There when you say (there when you say)

Gotta do for you (gotta do for you)

Hold onto you (hold on to you)

Right here for you

Oooooohhh

Good lovin'

Good love to you (good love to you)

Sweet love to you (sweet love)

There when you say (Im there, Im there)

I gotta do for you (gotta do for you)

Hold onto you (hold on to you)

Right here for you (right here)

Ooooooohhh

When you come home from work baby, baby

Ill be here to run your bath

You aint gotta ask me once I want this stuff to last its the least I can do for you

Im here til the day we die boy

Cause this feeling is so real to me

Youre my lover, my friend and its more than I dreamed so Im right here to give you

Good love to you

Sweet love (sweet love to you)

There when you say (there when you say)

I gotta do for you (gotta do for you)

Hold on (hold on to you)

Right here (right here for you)

Ill be right here for you baby when you need me, just call me

Sweet love

Good love to you (oh yeah)

Sweet love to you (sweet love to you)

There when he say (there when he say)

I gotta do for you (gotta do for you)

I gotta hold onto you (hold on to you)

Im right here for you (right here)

Ooooooohhh

Ill give good, Ill give good, Ill give good Ill give good love to you

Im willing to share my world

Said Im willing to share my world with you baby, baby, baby, baby

For my man III give you the world

Said III give you the world and III tell everybody, Im not ashamed

Youre my man and Im your girl

Im your girl baby, whatever you need

More than willing to share my whole world

Yeah, yeah, yeah baby

Good love to you

Sweet love to you (sweet love)

There when you say

I gotta do for you (I gotta do for you)

hold onto you (hold on to you)

Right here for you (right here)

Said I get so happy inside, yeah, yeah

Good love to you (oh baby)

Sweet love to you (cant you tell)

There when you say (Im there, Im there)

Gotta do for you (said I gotta do)

Hold on to you (yeah, yeah, yeah) Right here for you (I gotta hold you baby, because I love you yeah Said I gotta go now
