

# Fantasia, When I See You

I put your picture on my mirror  
Start to blush when somebody says your name  
In my stomach there's a pain  
See you walk in my direction, I go the other way  
I start to stutter when I speak  
start to stand, but my knees go weak  
What's happening to me?  
Anybody can you tell me what it means?

I lay my head on my pillow  
You got me starring out the window  
Wish on a star for a sign  
That's the reason why

You're always on my mind  
When you come around I get shy  
Baby When I see you  
When I see you  
Never know when you might walk by  
So I gotta be right on time  
When I see you  
When I see you

I scribble X and O's in my notebook  
I'm checking how my hair and my nails look  
I feel myself in the zone  
I get nervous when you call, so I say I'm not home  
I see your face when I hear my favorite song  
Should I send an e-mail at home?  
You're the no 1 topic on the phone  
I wonder if you know, or do you have a clue? Yeah

I lay my head on my pillow  
You got me starring out the window

Wish on a star for a sign  
What's the reason why? Yeah

You're always on my mind  
When you come around I get shy  
(babe)When I see you  
When I see you  
Never know when you might walk by  
So I gotta be right on time  
When I see you  
(babe)When I see you

Something now is taking over me  
Yeah, yeah, yeah, yeah, yeah, yeah  
I'm not gonna run I'm,  
Just gonna stand here and see

You're always on my mind  
When you come around I get shy  
(babe)When I see you  
When I see you  
Never know when you might walk by  
So I gotta be right on time  
When I see you  
(babe)When I see you

You're always on my mind

When you come around I get shy  
(babe)When I see you  
When I see you  
Never know when you might walk by  
So I gotta be right on time  
When I see you
