

Fantasia, Without Me (ft. Kelly Rowland, Missy Elliott)

Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you

Really gon? make me expose you for exactly what you are
(you are)
And I?m feeling a little wavy, so right now I don?t mind pulling your card
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you

And as hard as you try to hide reality while we know the truth
So act brand-new if you want to

But what would you be without me?
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you will never be
Without me
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you will never be

[Kelly Rowland:]
You tell ?em that you make big moves
But tell ?em what you really do
Do you really wanna play this game
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
You should tell ?em what you really like
Tell ?em you ain?t bought that life
I?ve put you on, I let you shine
Now you so fly shit blows my mind
Oh, oh

And as hard as you try to hide reality while we know the truth
So act brand-new if you want to

But what would you be without me?
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you and I will be
Without me
Where would you be without me?
So what you blowing up just a little
They knowing you a little
Don?t give a finger in the middle
Cause you without me

[Missy Elliott:]

Boy you think I?m stupid?
What you think I?m clueless?
You kee? chasing them girls
Boy you get the deuces
I?m sick of your excuses
Without me how can you do it?
Do bad about myself
Nigga you?re just useless
Dude I don?t need your sex
(your sex)
I?m moving to the next
(the next)
You frontin man, you stuntin man
You?re worse than my ex
Ha-ha-ha-ha-ha
You think that shit funny?
We know the truth boy, keep it one hundred

And as hard as you try to hide reality while we know the truth
So act brand-new if you want to

But what would you be without me?
Where would you be without me?
So what you blowing up just a little
Than knowing you a little
Don?t give a finger in the middle
Cause you and I will be
Without me
Where would you be without me?
So what you blowing up just a little
Than knowing you a little
Don?t give a finger in the middle
Cause you without me
Oh na, na, oh na
Oh na, na, oh na
Oh na, na, oh na
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
