## Farmer's Boys, The Country Line

Sadness is in my mind again In the shape of a beautiful woman who says she loves me so Darlin' I've seen you walk away All the hopes and dreams of the past few years Have gone today

The country line's getting nearer Drifting away Where I'm going I don't know

Madness is knocking at my door In the shape of a beautiful woman who says she loves me so She says she loves me so

Oh darlin' yes, I've seen you walk away But now it looks... well at least it seems As if you're back to stay... alright

The country line's getting nearer Drifting away Where I'm going I don't know

Oh darlin'...
