

# Fastball, Louie Louie

Sittin' here in your room  
I've been listen' to the freeway and the moon  
Shinin' through  
Broken windows I've been waitin' for ya singin'

Louie louie louie lou-ee  
When ya gonna come back home  
Louie louie louie lou-ii  
You know I hate to see you cry

Sittin' on the hood of your car  
Starin' up at the sky, wishin' on a fallin' star  
You come so far  
I get no response, I just keep on waiting

Louie louie louie lou-ee  
When ya gonna come back home  
Louie louie louie lou-ii  
You know I hate to be alone  
Louie louie louie lou-ee  
When ya gonna come back home  
Louie louie louie lou-ii  
You know I hate to be alone

Sittin' here in your room  
I've been listen' to the freeway and the moon  
Shinin' through  
Broken windows I've been waitin' for ya

Louie louie louie lou-ee  
When ya gonna come back home  
Louie louie louie lou-ii  
You know I hate to see you cry  
Louie louie louie lou-ee  
When ya gonna come back home  
Louie louie louie lou-ii  
You know I hate to be alone with myself
