Faster Pussycat, Big Dictionary

You got the right pronunciation You got the meaning all wrong It's my, my first edition Revise it if you like But just remember it's a young man's book of bones

There's more to me than the words I read Is it a language that's new to you If you open your eyes instead of your legs I wouldn't have to spell it out for you

She just loves me for my
Big dictionary
She wants my vocabulary
Complete from A to Z
She just loves me for my
Big dictionary
Mary, Mary's quite contrary
Thesaurus girl you ever seen

Can you ride my composition It's a tongue and cheek religion That I simply just made up Maybe it's my, my superstition You don't love me for my rhyme Well you know that's just my luck

There's more to me than the words I read Is it a language that's new to you If you open your eyes instead of your legs I wouldn't have to spell it out for you

She just loves me for my Big dictionary She wants my vocabulary Complete from A to Z She just loves me for my Big dictionary Mary, Mary's quite contrary Thesaurus girl you ever seen

"Hey there, sunflower." "If I was to let your fingers do the walking through my fellow pages" "Would you know what they mean?" "Oh yes I would. I know I would and between them I'll read."

She just loves me for my
Big dictionary
She wants my vocabulary
Complete from A to Z
