

# Fat Joe, 300

[Movie Dialogue:]

This is where we fight

This is where they die

[? ] boys

[Fat Joe: talking]

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

Who you think you kidding who?

I will just get rid of you

Leave you in that critical it's

Joey crack the don

You don't even know me

Got hundred homies and [? ]

With [? ] and run up on me

Blow your brains on your mom

I am a professional

I will cut your testicles

Stuff em in your mouth where them lil shits belong

[Singing:]

We want war

We love war

We need war

We want war

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

Crack man, crack man

Playin with the gat then

Hear that? brat ta tat ta tat ta like the song

Taurus, raging bull about the size of my arm

See the size of the charm make your wife leave your arm

That's right, I fight, I done been in brawls

I done did some things that made some killers shit they drawers

I done be on boats in Columbia shippin raw and

I done ripped up plenty of stages with Biggie Smalls

Oh shit, wait a minute, I done did it all

Poor righteous teacher I'm featured on final [? ]

I [? ] em and, yes yes y'all

And [? ] already told you that we ready for war

Crack playing, hit mayne, blood stains on the wall

Shit mayne, his brains, your remains on the floor

I am a professional

I will cut your testicles

Stuff em in your mouth where them lil shits belong

[Singing:]

We want war

We love war

We need war

We want war

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

[Singing:]

We want war

We love war

We need war

We want war

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

Just when you thought it was

Safe to turn the corner I

Had to run up on him like blat! now he's gone

[Music until end]
