

Fatal Flowers, Halfway

Jesus hear my prayer
I'm halfway down the stairs
I wouldn't mind going up
But I just don't seem to know which direction to go

Jesus....
It's been a long time since
I used to say my evening prayer
And you made all my...

Well I don't need no bible to tell me what's teh truth
And I don't need no friends to tell me what to do
And I don't need no woman to make me feel blue
And I don't need you to tell me I'm a liar to

Another day has passed away
The sun comes up in burning flames, leaving me to blame
But there ain't nothing you can do or say
When the feeling has just gone away
There is nothing that remains

Well I don't need no bible to tell me what's teh truth
And I don't need no friends to tell me what to do
And I don't need no woman to make me feel blue
And I don't need you to tell me I'm a liar to
