

# Fates Warning, Face The Fear

here i am looking out looking in  
my eyes are open my mind's closed tight  
i believe i know i need to let go  
and i know i'm wrong but i think i'm right  
so i shut you out  
and hear what i want to hear  
and hide in my opinions  
afraid to face my fear  
face the fear

there you are reaching in reaching out  
your arms are open, your heart's closed tight  
you believe you know you have to let go  
and you think you won't but you know you might  
so you close your eyes  
and pretend you're no here  
and hide in your secrets  
afraid to face your fear  
face the fear

and you close your eyes  
i hear what i want to hear  
and we hide in our suspicions  
afraid to face the fear  
face the fear

and i shut you out  
you pretend you're not here  
and we hide in our loneliness  
afraid to face the fear  
face the fear

here we are looking in reaching out  
together and alone  
facing the fear we're afraid to show  
facing the fear of letting go
