

Fear Of God, I Am Free By Fear Of God

I will enter in,
through this open door
I will look to you
And need for nothing more

Jesus you are near
and I know you're right here
you're standing here with me
in your presence...

I am free, I am free, I am free, I am free, oh
I am free, I am free, I am free, I am free, yeah!

I will enter in,
Through this open door.
I will look to you,
and need for nothing more!

Jesus you are near,
I know you're right here.
You're standing here with me,
In you presence!

I am free, I am free, I am free, I am free, oh
I am free, I am free, I am free, I am free, yeah!

I am free, I am free, I am free
I am free, I am free, I am free, yeah!
I am free, I am free, I am free, oh
I am free, I am free, I am free, I am free, yeah!

I am, I am, I am free
I am, I am, I am free, yeah
