

Feder, Lordly (feat. Alex Aiono)

Once we run the show
Everyone will know
The we will be the ones
That hold the highest truth

I;m from the game strong on my face
I tell them:
Don't go
We love /2x
That's my place
There's nothing to do
I just do it
Nothing but under this Sun

Once we run the show
Everyone will know
The we will be the ones
That hold the highest truth

There lies a Kingdom in my heart
A reign of light
That's lights up the dark
there's nothing to do
I just do it
Nothing but under this Sun
