

# Feist, Century

I find my feelings  
And guide them away  
Couldn't been easier  
Like a cunt in a daze

Objection  
Light the stage  
I want that feelings  
Think I feel in my own way

The wrote that letter  
That had nothing to say  
Still got your vision  
Like a kingdom of days  
Lonely or not lonely  
Century away  
Still that vision  
As if help's on its way

Someone who'll lead you to someone  
Who will lead you to someone  
Who will lead you to the one  
At the end of the century  
/2x

A Cenury – how long is that?  
3 billion  
1 hundred  
And 55 million  
9 hundred and 73 thousand  
6 hundred seconds  
8 hundred and 76 million hours  
Or 36 thousand  
5 hundred days  
Almost as long as one of these endless dark nights od the soul  
Those nights never end  
When you believe you;ll never see the sun rise again  
And a single second feels like a century

A century
