

# Feist, One Evening

The evening is long,  
my kisses were true,  
it's obviously you.  
That something you said,  
the timing was right,  
the pleasure was mine.

The time and the place,  
the look on your face,  
sincerest of eyes.  
If you're ready or not,  
the state of the hearts,  
there's no time to take.

Where we started,  
both broken-hearted.  
Not believing,  
It could begin and end in one evening.

We woke up out of light,  
held on to the day,  
then it became ours.  
The minutes went by,  
the cab is outside,  
there's no time to take.

Where we parted,  
moving on.  
And believing,  
it could begin and end in one evening.

Where we started,  
both broken-hearted.  
Not believing,  
it could begin and end in one evening.

Where we parted,  
moving on.  
And believing,  
it could begin and end in one evening.
