

Fenix TX, Feliz Navidad

We wanna wish all of yall
Have a Merry Christmas and a Happy New Year
Turn this shit up yall

[Chorus:]
Feliz Navidad
Feliz Navidad
Feliz Navidad, prospero ano y felicidad
Feliz Navidad
Feliz Navidad
Feliz Navidad, prospero ano y felicidad

Thank you for breaking up with me at Christmas
You picked your presents, I wont give em to you
Right after I bought every gift you wanted
I guess thats just the bitch you are

You changed your pager, home and cell phone number
You even took out a restraining order
Cant get within 500 feet of yours
So yeah I think youve gone too far

[Chorus]

Im really sorry that I fucked your sister
I cant believe she even let me fist her
I even hooked up with your best friend Esther
Yeah she blew me in your car

I guess Ill never ever learn my lesson
Just bought a brand new shiny Smith & Wesson
Im gonna keep your boyfriend second guessing
I hope I see him at some bar
Somebody told me he was born a woman
They say he changed his name from Rachel to Ruben
You must be the only bitch hes fooling
You should check him for some scars

I hope you get a fucking yeast infection
Or some disease from using no protection
You know you never gave me no erections
Yeah his wee wee wont get hard

Merry Merry Christmas oh yeah
