like it ain;t nothing'
nothing' /4x
spent that money
like it ain;t nothing'
nothing' /4x
all day, all day, baby
like it ain;t nothing'
nothing' /4x
roll up in the ghost, baby

not, not a, not a damn thing
swimming in the green
diamond on the neck
got a diamond on the ring
cash rules everything around me, cream
dolla, dolla bils all around me, me
I don't mean to brag
I don't mean to boast
I didn't mean to roll up to the club in the ghost
I didn't mean to pull out a bottle of the mo
do the champagne shower spread
spraying on the clothes

I didn't mean to hurt them
I didn't mean to kill them
I didn't mean to make 10, 20, 100 million
and ever since I made it
I been murdered on the ceiling
I know why they be hating
cause I be
and no I'm cold, cool and cold
chilling like a villain
they feeling my diamonds
the gold on my grillin
I smile like I swallowed a jeweler
I'm ill and I'm sick with the paper my bank keep on filling

hey, watch cha gonna do when I step in the room
betcha y'all ballers gonna rock to the tune
betcha y'all ballers gonna rock to the tune
get down to the beat and rock to the tune
watch cha gonna do when I step in the room
