Welcome to the Dairy Dutchess Love Factory
I could whip in up, fix you up straight away
Come on in the freont door, leaving at the back door
Whip it, flip it

Been working at your service to give it to you
Didn't mean to make you nervous, you motherfuc*

You got that /3x
Milk money
You got that /3x

Me and the girls up in the club
Hating ass hoes, but I don't gibe a fuc*
Running amok, owning the spot
Buying the bar like I bought all these rocks
I've been working all week
Now, where the hell is my drink?
Hair and nails is on fleek
All my girl's on fleek

Coz we're independent
Do you know what that means?
Can't see me broke
I'm paid
You heard about me
I'm saying

You got that /3x

You got that /3x
MILF money
You got that /3x
Milk money

I've been whipping this up
I've been tipping this cup
I've been waiting my turn
I've been working so hard
Got my spirit turn up
And I can't stop now
I've been vibing so strong
I want it
I need it
I got it for real
I love it, real woman
I'll feed you this meal
Hay mama
I did it the top od the hill
Been a minute
Don't forget it, motherfuc*
