

Fifteen, Violation II

In 1492 Columbus sailed the ocean blue for love of god and me and you(no)

In 1941 we intervened to stop the spread of world fascism(no)

Listen up boys and girls it's the history of the whole world and you know it's true(no)

6 million jews they call it genocide 100 million native americans what
an unfortunate price for todays quality of life

All people every person experiences violation

When told what is right and told what is wrong

And told what to do under the threat of violent intimidation

Virus kills us now virus kills us then over and over and again and again

Sun goes down in my town Berkeley CA sold me on too many dreams of justice and brotherhood

Sun goes down in my town Berkeley CA sold me on too many dreams of peace on the earth in our

In 1969 my forefathers(mothers) said stop this land is his and hers and yours and mine

In 1992 Rosebud sailed the sky so blue she gave her life for me and you

All people...

Sun goes down in my town

I believe in me. I make my dreams end.
