Fifth Harmony

Don't go and waste your precious time
With all the nonsense on your mind
No, don't criticize yourself no more
You've got a smile worth fighting for

Yeah, you've got everything
With your perfect porcelain
Ain't no one compare to it
You just gotta remind yourself
That you're amazing, babe
Break it down in every way
Could be smiling every day
You just gotta remind yourself

You can dance like Beyoncé
You can shake like Shakira
Cause you're brave
Yeah, you're fearless
And you're beautiful, you're beautiful
So whine like Rihanna
Go and pose like Madonna
Cause you're brave
Yeah, you're honest
And you're beautiful, you're beautiful, girl

You sell out every stadium, oh-oh
And the crowd goes crazy
When you're done, hmm
Don't know how beautiful you are, oh yeah, yeah
You deserve your Hollywood star

Yeah, you've got everything
With your perfect porcelain
Ain't no one compare to it
You just gotta remind yourself
That you're amazing, babe
Break it down in every way
Could be smiling every day
You just gotta remind yourself

You can dance like Beyoncé
You can shake like Shakira
Cause you're brave
Yeah, you're fearless
And you're beautiful, you're beautiful
So whine like Rihanna
Go and pose like Madonna
Cause you're brave
Yeah, you're honest
And you're beautiful, you're beautiful, girl

I said you're beautiful
You're beautiful

Ayo, Meghan, bring that bass

Shake it, shake it, shake it, mama

Show all the world you know you're hot
Wind your waist I tell ya don't stop
Tell ya don't stop, tell ya don't stop
Shake it, shake it, shake it, mama
Show all the world you know you're hot
Confidence will help you go far
Help you go far

You can dance like Beyoncé
You can shake like Shakira
Cause you're brave
Yeah, you're fearless
And you're beautiful, you're beautiful
So whine like Rihanna
Go and pose like Madonna
Cause you're brave
Yeah, you're honest
And you're beautiful, you're beautiful, girl

You can dance like Beyoncé
You can shake like Shakira
Cause you're brave
Yeah, you're fearless
And you're beautiful, you're beautiful
So whine like Rihanna
Go and pose like Madonna
Cause you're brave
Yeah, you're honest
And you're beautiful, you're beautiful, girl
