

# Fifth Harmony, Change The Bad Boy

Camila

I want to love you but you're way to bad for me  
Been thinking of ya yeah we got that chemistry

Refren (Camila)

But baby word around town you're an undertaker  
Use 'em once never call 'em later  
Breaking hearts is your occupation  
(Oh oh oh oh oh oh oh oh woah)

Lauren & Ally

You got that something I like  
You got that look in your eyes  
You got me thinking how I try and change it all  
They tell me that you're dangerous  
Can't be that complicated  
I'll be the one to change it

Lauren:

Can a good girl change the bad boy, yeah?  
Can the good girl change the bad boy?  
Can a good girl change the bad boy, yeah?  
Can the good girl change the bad boy?

Normani:

I know you want it, but looking at your history  
I wanna know if you would treat me differently

Normani & Camila:

That's crazy, 'cause I heard that you're real shady  
Oh baby, still wanna be your lady  
Cause I'm crazy, I'll be the one who can change it
