

# Fifth Harmony, Goodbye

Lauren:  
Now that you're gone  
I hold on  
To all the laughs we shared  
And I'll never forget your smile

Normani:  
And I wish you were near  
But wherever you are  
I'm still holding you right here  
Here in my heart

Camila:  
I hope and pray  
That I see you once again  
Til then I'll be looking forward  
to that day

Dinah:  
We said hello many times  
The hardest thing to do is  
Say goodbye, goodbye

We said hello many times  
The hardest thing to do is  
Say goodbye

It's so hard to say  
Goodbye  
Goodbye  
Goodbye  
Goodbye
