

# Fifth Harmony, Individual Covers

Want to want me

[Dinah:]

It's too hard to sleep  
I got the sheets on the floor  
Nothing on me  
And I can't take it no more  
A hundred degrees  
And just the thought of you  
Gets me so high, so high

Dreamlover

[Ally:]

Dreamlover come rescue me  
Take me up take me down  
Take me anywhere you want to baby now, I need you so desperately  
Won't you please come around  
Cause I wanna share forever with you  
Dreamlover come rescue me  
Take me up take me down  
Take me anywhere you want to baby now I need you so desperately  
Won't you please please

I can't feel my face

[Lauren:]

And I know she'll be the death of me  
At least we'll both be numb  
And I know she'll get the best of me  
The worst is yet to come  
All the misery was necessary  
When we're deep in love  
Yes I know, yes I know

Don't

[Camila:]

Don't play with my love  
That heart is so cold  
All over my home  
I don't wanna know that babe  
I don't wanna know that babe  
I don't wanna know that babe  
I don't wanna know that babe

You need me, I don't need you

[Camila:]

Cause you need me, man  
I don't need you, you need me, man  
I don't need you, you need me, man  
I don't need you oh you need me

Am I Wrong

[Normani:]

So am I wrong  
For thinking that we could be something for real?  
For trying to reach the things that I can't see?  
Can't see? Thats just how I feel, feel, feel  
Thats just how I feel, baby thats just how I feel
