

Fifth Harmony, Like I'm Gonna Lose You

[Verse 1: Normani, Dinah]

I found myself dreaming in silver and gold
Like a scene from a movie that every broken heart knows
We were walking on moonlight, like silver and gold
Split second and you disappeared and then I was all alone
I woke up in tears, with you by my side
A breath of relief, and I realized
No, we're not promised tomorrow

[Hook: Camila, Lauren]

So I'm gonna love you like I'm gonna lose you
I'm gonna hold you, like we're saying goodbye
Wherever we're standing, I won't take you for granted
Cause we'll never know when
When we'll run out of time
So I'm gonna love you like I'm gonna lose you
I'm gonna love you like I'm gonna lose you

[Verse 2: Lauren, Ally, (Dinah)]

In the blink of an eye, just a whisper of smoke
You could lose everything, the truth is you never know
So I'll kiss you longer, baby, any chance that I get
I'll make the most of the minutes and love with no regret
Let's take our time to say what we want (say what we want)
Use what we got before it's all gone
No, we're not promised tomorrow

[Chorus: Ally, Camila and (Dinah)]

So I'm gonna love you like I'm gonna lose you
I'm gonna hold you, like I'm saying goodbye
Wherever we're standing, I won't take you for granted
Cause we'll never know when
When we'll run out of time
So I'm gonna love you (I'm gonna love you), like I'm gonna lose you (I'm gonna lose you, babe)
I'm gonna love you like I'm gonna lose you

[Outro: Lauren with all]

So I'm gonna love you
Like I'm gonna lose you
I'm gonna love you
Like I'm gonna lose you
