

# Fifth Harmony, Sensitive

[Fifth Harmony]

Oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh

[Ally]

Do you have a moment? Boy we need a talk  
It's a conversation that's been coming on, oh

[Dinah]

Why you want me living like I'm in a cage?  
I'm just tired of hoping that you're gonna change, oh

[Fifth Harmony]

I'm just out here baby living my life (my life, my life, my life)  
I just have to say you got no right

[Chorus]

You're so sensitive baby  
And I love it about you  
But you're driving me crazy  
'Cause you're jealous in love  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on  
Yeah I'm moving on

[Camila]

Oh, baby

Boy you better man up, go and dry your tears  
Don't know where I'm going but I can't stay here

[Lauren]

You can find a new love, she can be the kind  
That'll let you keep her right there by your side

[Fifth Harmony]

I'm just out here baby living my life (my life, my life, my life)  
I just have to say you got no right

[Chorus]

You're so sensitive baby (Normani: Sensitive)  
And I love it about you (Normani: And I love it about you)  
But you're driving me crazy  
'Cause you're jealous in love (Normani: 'Cause you're jealous in love)  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on  
Yeah I'm moving on

[Lauren]

No question, you complete me  
But two empty halves make for one empty hole  
In the pit of my stomach and in the pit of my soul

[Fifth Harmony]

I'm just out here baby living my life (my life, my life, my life)  
I just have to say you got no right

[Chorus]

You're so sensitive baby (baby...)  
And I love it about you (And I love it about you)  
But you're driving me crazy  
'Cause you're jealous in love (jealous in love)  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on

Yeah I'm moving on

You're so sensitive baby

And I love it about you

But you're driving me crazy (driving me, driving me...)

'Cause you're jealous in love

You're so sensitive baby

And I don't wanna hurt you but I'm moving on

Yeah I'm moving on

[Ally]

Baby I'm movin'...
