

# Fifth Harmony, Tellin Me

Na na na na na na na na x7

Dinah:

Baby your eyes glow as we go  
Further than you'll ever know  
Close your eyes and just make a wish  
I'll give you something you can't resist

Camila:

I wanna take you where you've never been  
never been  
I wanna take you where you've never been before  
I wanna take you where you've never been  
never been  
I wanna take you where you've never been before

All:

We're fallin down, fallin down, fallin down to the floor  
Keep tellin me, tellin me, tellin me that I'm yours  
I'm whatcha been, whatcha been, whatcha been waiting for  
Keep tellin me, tellin me, tellin me that I'm yours  
Na na na na na na na na x3  
Keep tellin me, tellin me, tellin me that I'm yours  
Na na na na na na na na x3  
Keep tellin me, tellin me, tellin me that I'm yours  
Na na na na na na na na x7

Normani:

I'll take your hand and just breathe it in  
Baby you will feel it within  
Don't be shy baby fly away  
Trust me boy I'll be all you need

Camila:

I wanna take you where you've never been  
never been  
I wanna take you where you've never been before  
I wanna take you where you've never been  
never been  
I wanna take you where you've never been before

All:

We're fallin down, fallin down, fallin down to the floor  
Keep tellin me, tellin me, tellin me that I'm yours  
I'm whatcha been, whatcha been, whatcha been waiting for
