

# Fifth Harmony, Worth It (ft. Kid Ink)

Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it

Ok.

I tell her bring it back like she left something  
Bring it bring it back like she left something  
In the club with the lights off  
Whatchu acting shy for?  
Come and show me that you're with it with it with it with it  
Stop playing you know that I'm with it with it with it with it with it  
Whatchu acting shy for?

Just gimme you, just gimme you  
Just gimme you, that's all I wanna do  
And if what they say is true  
If it's true, I might give me to you  
I may talk a lot of stuff  
Guaranteed, I can back it up  
I think I'm a call you bluff  
Hurry up, I'm waitin' out front

See me in the spotlight  
"I love your style"  
Show me what you got  
Cause I don't wanna waste my time  
See me in the spotlight  
"I love your style"  
Show me what you got now  
Come and make it worth my while

Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it

It's all on you, it's all on you  
It's all on you, so what you wanna do?  
And if you don't have a clue  
Not a clue, I'll tell you what to do  
Come harder just because  
I don't like it, like it too soft  
I like it a little rough  
Not too much, but maybe just enough

See me in the spotlight  
"I love your style"  
Show me what you got  
Cause I don't wanna waste my time  
See me in the spotlight  
"I love your style"  
Show me what you got now  
Come and make it worth my while

Give it to me, I'm worth it

Baby, I'm worth it  
I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it (know what I mean?)  
Baby, I'm worth it (give me everything)  
Uh huh I'm worth it  
Gimme gimme I'm worth it

Ok.
