

# Figurine, Way Too Good

I'm sorry that I never called you yesterday  
It wasn't that the kiss we shared didn't mean a thing

I think about you constantly- you never leave my mind  
But the nerve to ask you out again is just so hard to find

'Cause you're just way too good for me  
That you even look my way is hard to believe  
I don't know what you see in me  
A disappointment is all I'll ever be

Don't say I didn't warn you  
when this whole thing falls apart  
Just try and take it easy when you let go of my heart

'Cause you're just way too good for me  
That you even look my way is hard to believe  
I don't know what you see in me  
A disappointment is all I'll ever be
