

# FINNEAS, Love is Pain

Say it's not enough  
To be in love  
You need to prove it somehow

It's not \$  
Or icku p lines  
Or anything tyou could  
Kiss away now

That sinking feeling  
That you get  
When you say soemtjhing  
You'll regret  
Cause you're jealous  
Of soemthing stranger
