

# FINNEAS, Shelter

there's no one else  
could ever hold me like you do  
there's nowhere else  
that I'd rather be than with you  
they call us lucky  
but I think we might be cursed  
cause the way you love me  
I could drink the river dry and still die of thirst

give me  
give me shelter  
for the storm  
give me  
give me shelter  
keep me warm  
come kiss me by the delta  
where the river's torn  
but I'll be whole  
as long as I'm yours  
yours

there's noway out  
the city sinks into the sea  
but if we go down  
at least I'm in good company  
they call us hasty  
and I think they might be right  
but I know that I'd be crazy  
not to wanna be the one to keep you up all night

give me  
give me shelter  
for the storm  
give me  
give me shelter  
keep me warm  
come kiss me by the delta  
where the river's torn  
but I'll be whole  
as long as I'm yours  
yours

I don't wanna I don't wanna  
I don't wanna  
I don't wanna  
think about a life without you  
I don't wanna I don't wanna  
I don't wanna  
I don't wanna  
go to war, but I am about to

give me  
give me shelter  
for the storm  
give me  
give me shelter  
keep me warm  
come kiss me by the delta  
where the river's torn  
but I'll be whole  
as long as I'm yours  
yours
