First Degree, Let The Rhythm Roll On

Sing around the rock in all nations Giving to me right vibrations All I wanna do sing this song on and on Never wanna stop let the rhythm roll on

Do you feel the beat it's going jack Wants to make your feet go around and around and ...

Sitting in a plan Yeah, I'd like to get out of here Just let all of our dreams getting real Can you feel the pain Yeah, these days filled with trouble Just let all of our dreams getting real
