

# Fishbone, Mighty Long Way

Said I'm shakin' in my shoes sometimes  
And all alone I get the blues sometimes  
And I'm far away from home, it seems so far, so far away  
Many moons and many days

You know many things are on my mind  
I search and search for answers I can't find  
Then my people I will seek  
They listen when I speak

Believe me when I say  
Me and my friends go a mighty long way

Yeah, yeah, yeah, yeah, yeah, yeah !!!

There's nothing that can make this bond to break  
And if it comes along it must be strong  
Believe me when I say  
Me and my friends go a mighty long way

Well I look into the cloudy sky  
And cleanse my soul as the heavens cry  
My life like a rolling stone  
Up and down the hills  
It breaks my ass like a window sill  
And if I had to do it all by myself  
There be a threat to my mental health  
But there's no need to run and hide  
When folks are by my side

Believe me when I say  
Me and my friends go a mighty long way

Yeah, yeah, yeah, yeah, yeah, yeah !!!

There's nothing that could make this bond to break  
And don't even try unless you're ready to die  
Believe me when I say  
Me and my friends go a mighty long way

Believe my when I say  
We go a mighty long way
