

# Fisher, So Much

He wants to, I want too much  
He says he's taking his time  
When I hold him, and he holds back  
It hurts me that I don't mind

He has only so much  
He can give up for me  
I have only so much  
That's not enough but  
Everything is good  
Everything is fine for now

For now

She don't cry, I don't cry  
The past won't let us let go  
When she holds me, I hold back  
If she minds, I'll never know

I have only so much  
I can give up for her  
She gives only so much  
That's not enough but  
Everything is good  
Everything is fine for now

For now

We have only so much  
We can give up for love  
We give only so much  
That's not enough but  
Everything is good  
Everything is fine  
For now

La da.. da da da da da da

For now
