

# Five Finger Death Punch, Watch You Bleed

I'd give anything just to cut you free  
I'd give blood just to watch you  
Just to watch you bleed!

I see through you and all your lies  
You are everything that I despise  
You won't take shit when you leave  
What the hell do you want from me?

I'm over it, so over it, this is goodbye!  
I'd give anything just to cut you free  
I'd give blood just to make you  
Just to watch you bleed!

I know you better than you do  
I'm to fucking blame, so are you  
It won't kill me to watch you leave  
What the fuck do you want from me?

I'm over it, so over it, this is goodbye  
I'd give anything just to cut you free  
I'd give blood just to make you  
Just to watch you bleed!

Just to make you, just to watch you  
Just to make you, just to watch you  
Bleed

I'd give anything, just to cut you free  
I'd give blood, just to make you  
Just to watch you bleed!

I'd give anything, just to cut you free  
I'd give blood, just to make you  
Just to watch you bleed!

I'd give anything, just to cut you free  
I'd give blood, just to make you  
Just to watch you bleed!

I'd give blood
