

# Five for Fighting, Bella's Birthday Cake

Bella played the bridge every second loneliest night of the year  
Took a certain liking to a fellow there - Bella  
She said I brought her back to some old better man - fellah  
Bella she was born today feeling kinda spry  
Bella's Birthday Cake was burning  
Like Lightning, Like Fire  
Bella's Birthday Cake was burning...

Bella made her bed in red every loneliest night of the year  
Tied me to the rages of her rocking chair - Bella  
Fed me quiet offer through her ever wares - I'll tell ya  
Bella she was born today feeling kinda spry

Bella's Birthday Cake was burning  
Like Lightning, Like Fire  
Bella's Birthday Cake was burning  
Ever yearning Forest Fire

and all of her lines she left unread  
"spirits and battles won," she said  
and over her mountain tops she ground me off  
where...I can't remember...

Bella played the bridge on the second loneliest night of the year  
Bella she was born today...

BELLA'S Birthday Cake was burning  
Bella's BIRTHDAY Cake was burning  
Bella's Birthday CAKE was burning  
Bella's Birthday Cake was BURNING...50 years gone.
