

Five Times August, Wherever

It's strange to me, I'll give you everything
But you don't know what it means
And I hate to be the one to disagree
But you don't know what your missing

Cause I see inside you
I want to be the life of you
Cause you gave that much to me

Wherever you want me,
Whenever you need me
I'll be waiting for my time to go
Whatever you're asking
There's no need to ask it,
I'll be on my way to get it done

So I've laid it on the line, do you need a little time?
I guess I could understand that
It's a lot to take in you wouldn't know where to begin
But you won't need to ever look back

Cause I see inside you
I want to be the life of you
Cause you gave that much to me

You know, I want you to know
You know, I want you to know
I could give you more the world and a little bit more

Wherever you want me,
Whenever you need me
IWhatever you're asking
There's no need to ask it,
I'll be on my way to get it done

Wherever you want me,
Whenever you need me
I'll be waiting for my time to go
Whatever you're asking
There's no need to ask it,
I'll be on my way to get it done
