

FKJ, Greener feat. Santana

You think you'll like it, you say it's your thing
(Greener, greener)
Wait until you open it
(Greener, greener)
The gift that everybody wants
(Greener, greener)
Sorry I must say you're wrong
(Greener, greener)

'Cause it's always greener on the other side
(Greener, greener)
Always greener on the other side
(Greener, greener)
'Cause it's always greener on the other side
(Greener, greener)
Always greener on the other side
(Greener, greener)

Love of the unknown
You gonna get it then look somewhere else

And you'll come back alone
Yea you'll come back come back
Ready to live steady now but no one wanna talk
Depending on us all, 'cause your mission didn't work out
You didn't know time would slip this fast

Now it's too late
Now it's too late
Now it's too late

'Cause it's always greener on the other side
(Greener, greener)
Always greener on the other side
(Greener, greener)
'Cause it's always greener on the other side
(Greener, greener)
Always greener on the other side
(Greener, greener)

(Greener, greener)
(Greener, greener)
(Greener, greener)
(Greener, greener)
