

Flangers, Black Toy

N.T Welcome By
N.T. Welcome by

And there it's welcome by
And it sees me cry
do you see girl ?

Soon there is emptyness in everything you seem to know
I'm in outerspace
Soon there is emptyness in everything you seem to know
I'm in outerspace

And there is something
Something's odd
Travelling
Without leaving my place
Sorry because
This thing I see is black... black.. black..
Toy

I'm not your fucking toy, I'm not your fucking toy..
I'm not your fucking toy motherfucker
