

Flatt And Scruggs, Give Mother My Crown

She labored so hard in this world below she didn't have things that most mothers know
Raising her children on a widow's small pay washing and ironing since dad passed away
I wanna go to heaven when this life is o'er I wanna be with Jesus on eternity shore
But if I've a crown coming when rewards go around
Please blessed Jesus give mother my crown

[fiddle - dobro]

I didn't realize it when I was a lad just how great a burden my mother had
Adoption was offered but mama said no
She raised us and taught us the right way to go
I wanna go to heaven...
