

# Flirtations, Secret O' Life

Jimmy, Michael, Jon  
The secret of life is enjoying the passing of time  
There ain't nothin' to it  
All you gotta do is do it  
Nobody knows how we got to the top of the hill  
Since we're on our way down  
Might as well enjoy the ride  
The secret of love is in opening up your heart  
It's okay to feel afraid  
So don't let that stand in your way  
'Cause everybody knows that love is the only road  
And since we're only here for a while  
Might as well show some style  
Hey hey hey, give us a smile  
Isn't it a lovely, lovely ride  
Sliding down, gliding down  
Try not to try too hard  
It's just a lovely ride  
Now, the thing about time is that time isn't really real  
It's just your point of view  
How does it feel for you  
Einstein said he could never understand it all  
Planets spinning in space  
The smile upon your face  
Well, welcome to the human race  
Isn't it a lovely, lovely ride  
Sliding down, gliding down  
Try not to try too hard  
It's just a lovely...  
Lovely, lovely ride  
Sliding down, gliding down  
Try not to try too hard  
It's just a lovely ride  
The secret of life is enjoying the passing of time.
