

Flume, Never Be Like You (feat. Kai)

What I would do
To take away
This fear of being loved
Allegiance to the pain
Now I'm fucked up
And I'm missing you
Never be like you
I would give in
Anything to change
This fickle-minded heart
That loves fake shiny things
Now I'm fucked up
And I'm missing you
Never be like you

I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's ok.
You got it?
Never be like you
/2x

Why do I make you want to stay?
Hate sleeping on my own
Missing the way you taste
Now I'm fucked up
And I'm missing you
Never be like you

Stop looking at me with those eyes
Like I could disappear
And you wouldn't care why
Now I'm fucked up
And I'm missing you
Never be like you

I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's ok.
You got it?
Never be like you
/2x

I'm falling on my knees
Forgive me, I'm a fucking fool
I'm begging darling please
Absolve me of my sins, will you?
/2x

I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
You got it?
Never be like you
/2x

I'll never be like you!
