

Fly Project, LIKE A STAR

You can say that you love me,
Say that you need me,
Say that you hate me
And I am leaving right now

You told me you want me
You told me you need me
You told me you love me
But I am leaving right now

Say that you love me
Say that you need me
Say that you hate me
And I am leaving right now

Yo te canto, yo te canto
Yo te quiero ver bailando,
Yo te amo, yo te amo,
Ven a mi corazon

Gonna be, gonna be my lady
Tell me yes, tell me yes not maybe
Gonna be, gonna be my lady
I'm gonna treat you like a star.

Gonna be, gonna be my lady
Tell me yes, tell me yes not maybe
Gonna be, gonna be my lady
I'm gonna treat you like a star
I'm gonna treat you like a star.

yo te canto, yo te canto
yo te quiero ver bailando,
yo te amo, yo te amo,
ven a mi corazon

yo te canto, yo te canto
yo te quiero ver bailando,
yo te amo, yo te amo,
ven a mi corazon

You can say that you love me,
Say that you need me,
Say that you hate me
And I am leaving right now

You told me you want me
You told me you need me
You told me you love me
But I am leaving right now

Gonna be, gonna be my lady
Tell me yes, tell me yes not maybe
Gonna be, gonna be my lady
I'm gonna treat you like a star.

Gonna be, gonna be my lady
Tell me yes, tell me yes not maybe
Gonna be, gonna be my lady
I'm gonna treat you like a star
I'm gonna treat you like a star.
