

Flyeaf, Broken Wings

Thank you for being
such a friend to me
Oh I pray a friend for life
And have I ever told you
how much you mean to me
Oh you're everything to me
I'm thinkin all the time
how to tell what I feel
I'm contimplating phrases
I'm gazing at eternity
I am floating in serenity
And I am so lost for words
And I am so overwhelmed
Please don't go just yet
Can you stay a moment please?
We can dance together
and we can dance forever
Under your stars tonight
We'll live and breathe this dream
Close your eyes
but don't dream too deep
and please pass me some memories
But I fall you're underneath
a thousand broken hearts
Carried by a thousand broken wings
A thousand broken wings
